

Draco the dragon

1. Colour Draco the dragon with your favourite pens, then cut along the spiral.
2. Attach a piece of thread to the end of the tail.
3. Hold Draco by the thread over a heater or a hot light bulb.

Safety:

- Please don't hold the paper spiral too close to a hot bulb or fire.

Draco the dragon will spin around, as rising warm air from the heater hits the bottom of the spiral.

Enjoy your fancy new paper toy.

Waldo the worm

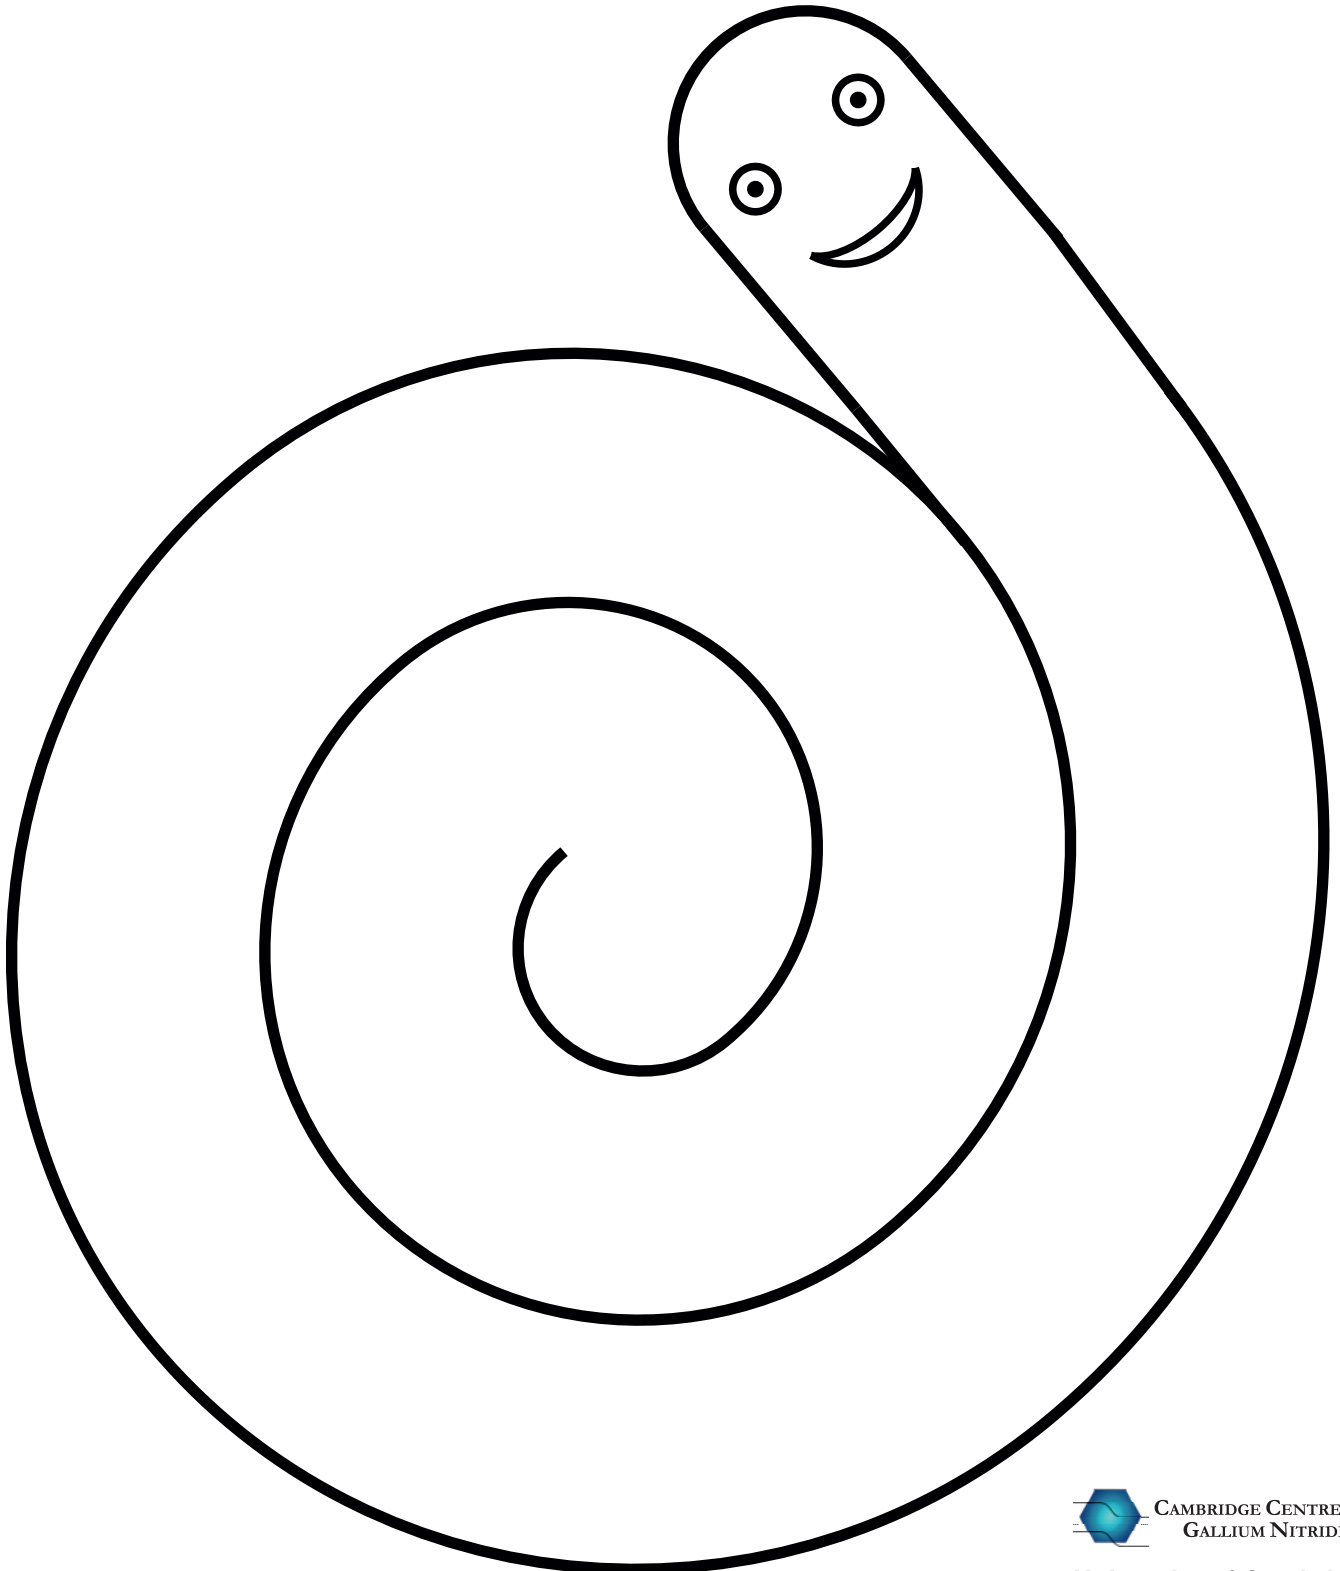

1. Colour Waldo the worm with your favourite pens, then cut along the spiral.
2. Attach a piece of thread to the end of the tail.
3. Hold Waldo by the thread over a heater or a hot light bulb.

Waldo the worm will spin around, as rising warm air from the heater hits the bottom of the spiral.

Enjoy your fancy new paper toy.

Safety:

- Please don't hold the paper spiral too close to a hot bulb or fire.

Sneaky the snake

1. Colour Sneaky the snake with your favourite pens, then cut along the spiral.
2. Attach a piece of thread to the end of the tail.
3. Hold Sneaky by the thread over a heater or a hot light bulb.

Sneaky the snake will spin around, as rising warm air from the heater hits the bottom of the spiral.

Enjoy your fancy new paper toy.

Safety:

- Please don't hold the paper spiral too close to a hot bulb or fire.
